ABOUT US.

INTRODUCTION

Shua Al Qimah Contracting Co. is a construction company based in Saudi Arabia. We work on many types of projects, from small jobs to large ones. Our services include concrete work, precast work, waterproofing, asphalt work, road marking, paving, and excavation. We also handle interior work such as painting, gypsum ceilings, and flooring.

OUR PHILOSOPHY

We believe good work starts with good planning and a strong team. Our company holds ISO 9001, ISO 14001, and ISO 45001 certificates. These show our focus on quality, safety, and care for the environment. We have more than 1,000 workers, including engineers, supervisors, and skilled tradesmen. We also own our own equipment, such as excavators, cranes, and trucks, so we can finish projects on time.

VISION FOR THE FUTURE

We want to keep growing and take on bigger projects across Saudi Arabia. We aim to build strong relationships with our clients and partners, such as Abniya, Sinoma, Sela, and Premco. Our goal is simple. We want to deliver safe, high quality work, on time, every time.
